## Regional Solid Waste Agency audit released

Ann M. Menke, CPA, PC of West Point, Iowa today released an audit report for the fiscal year ended June 30, 2009, on the Louisa Regional Solid Waste Agency.

The Agency had total receipts of \$540,406 during the year ended June 30, 2009, which included contributions from its city and county members of \$64,988 and transfer fees of \$450,107.

Disbursements totaled \$520,500 for the year ended June 30, 2009, and included \$232,954 for landfill transfer fees and \$195,963 for operating contractor fees.

The significant increase in receipts is due primarily to the increase in transfer fees. Receipt increases were offset in large part by a similar increase in operating expenses over the prior year.

By John Carpenter  
Gazette Staff

Shareholders of the Columbus Junction State Bank and CJSB Bancorporation learned that 2008 proved to be a very good year for the operations of both corporations at their annual meeting last week. The bank again experienced growth in all financial areas. Assets increased by \$1 million, with deposits increasing by \$650,000. Earnings were up by nearly \$22,000, with total capital accounts growing by nearly \$330,000. The bank's primary capital increased from 8.84% to 9.33% of assets. The bank continues to maintain capital well above the regulatory requirement.

President Mark Huston commented, "We are presently in the midst of remodeling the bank's interior, and hopefully we will be finished by the end of February. It has presented some challenges, but we are getting along." Regarding the bank's year, Huston said, "It's been a good year for the bank, and presently we have not seen many of our customers experiencing layoffs. Our loan portfolio remains strong, but we have always looked closely at collateral values, and do not lend very far outside of our area." Huston noted that the bank is participating with Community Bank in the loan for the new assisted living facilities adjacent to Colonial Manor. He further explained that the staff remained stable in 2008, and the bank employs two bi-lingual college

students on a part-time basis.

The stockholders voted to set the number of directors at eight, and re-elected Thomas H. Huston, T. Mark Huston, Kevin A. Van Heiden, Jack Estle, C. Eugene Walker, Stephen Wilson, Larry Mincer and Daniel Wilson. A Directors' meeting followed the annual meeting and the board elected the following officers:

Mark Huston, President and C.E.O.; Kevin Van Heiden, Vice President and Cashier; Tom Sands, Assistant Vice President and Loan Officer; Heather Kingsbury, Assistant Vice President and Compliance Officer; Doris Mougin, Assistant Cashier; and Nancy Brown, Assistant Cashier.
